**Partnering for Better STEM Education for All**

---

**Context**
- What problem are we trying to solve?
- What’s known?
- Alignment with institutional priorities?
- Alignment our outcomes with key institutional outcomes?

**Resources**
- Department chair
- Institutional Research
- Institutional Effectiveness
- Dean
- VP for Student Affairs
- VP for Enrollment
- Provost
- President

---

**Process**
- How will we make decisions?
- Are our processes inclusive?
- How do we provide everyone with the support and structure to be successful?

---

**Great Idea!**
